

Authorization to Release Medical Records

ONE FORM PER PET

I am giving authorization to Animal Health Services of Cave Creek to release medical records in regards to my pet. These medical records may include, but are not limited to, physical findings, history, laboratory testing, radiographic imaging, and medical treatments. This permission allows for verbal and/or written communication with any previous and/or future persons that have cared or will care for my pet. I understand that this medical records release may be necessary to help in accurate care, diagnosis, and treatment of my pet. These medical records may also be released in order to inform previous and/or future veterinarians of patient status and/or diagnosis.
